# Summer Camps 2017

## Why Boys & Girls Club Camps?

Boys & Girls Clubs specialize in working exclusively with youth. Our professional staff are highly dedicated and trained to provide the best possible summer camp experience for your children. We also put great effort into recruiting and training individuals who have experience working with youth and who will make excellent role models for your children. The result is that our Summer Camp programs not only provide a fun and safe summer experience, but also challenge your children and offer them many opportunities to grow. Our staff provide a safe and fun environment which encourages youth to develop positive self-esteem, values, and skills.

## Registration Information

All registrations will be accepted ONLINE only at our website [www.kirkland.positiveplace.org](http://www.kirkland.positiveplace.org). ### Dodgeball

Does your camper love dodgeball? So do we! This summer we will have one week focused on every new and old version of the game that the kids and staff can think of. Some classics include pop-up, elimination, and ultimate pickle.

### Flag Rugby
