All you need to know from Bainbridge Island Boys & Girls Club

## Special last Issue for the year

The Club Times is only a School Year publication. If you'd like to see some of the cool things we are doing this summer please follow our [Blog](#) or follow us on [Facebook](#), [Twitter](#) and [Instagram](#)! For now here are some our highlights of the 2016/2017 School year.

"I really liked going to Madrona House We get to read to the older people there, I read Charlotte's Web. We also get to play trivia games and eat snacks." – Jameson

"I really liked the family BBQ and Star Wars Movie Night because at the BBQ you got the chance to try and break a world record and hang out with your friends and everyone's family. The Star Wars night was cool because we stayed late at the club in our PJs, ate ice-cream and pizza!" – Kayla

"I like everything, power hour, programs and exercise. My favorite program has to have been origami in art with Katey!" – Jessica

"I have had a lot of fun with my friends at the club this year, doing all the fun activities on offer. My favorite was going to The Brain Games Tournament in Ballard and seeing another Boys & Girls Club. We made new friends, had a yummy lunch and Bainbridge Island WON the tournament. I am so proud of our team!" – Kaya

"I liked being a ball kid at a Kitsap Pumas Soccer game. I also like to play foosball with my best friend, Lane. I am really looking forward to all of the field trips this summer, especially Ahoy Kitsap and being a ball kid again at another Pumas game!" – Liam B

"I really enjoyed hanging out with Officer Carla and meeting the players from Kitsap Pumas Soccer team and Kitsap Admirals basketball team. I also really like playing gaga ball, pool, wall ball, carpet ball and foosball." – Ryder

"My favorite thing this year was going on a Princess Cruise ship with a few friends to meet two SeaGals and George Fant (Number 74) from the Seahawks. We also got to meet Blitz and eat a great pizza and ice-cream for lunch. I had a cup of coke too!" – Garner

"I liked going to club store so I can buy gum balls and candy with my club cash. I also love free drawing in the art room with Katey. I am really looking forward to going swimming this summer." – Jackson. C

**Please remember we will be closed on Wednesday 21st, Thursday 22nd and Friday 23rd June so we can get ready for an awesome summer!**
