Spring Break Edition 2017

Our featured Art Work from Spring Break is a good one. Our art specialist, Katey has created a mural on our wall ball wall! The focal point of which is Jay's awesome drawing and features 16 pieces of art by the kids at the club this week. It is being finished and the varnish will be left to dry over the weekend, ready for you to see on Monday!

BE GREAT

Spring Break by Jamo

This Spring Break at the club has been a lot of fun. My favorite day was Thursday, we went swimming! All of the fourth graders got to walk to the pool with Karissa and the Middle Schoolers. I went on the diving boards, the huge slide and lazy river with Luca. I got to play basketball and swim around a bunch too.

On the way back Liam let us ride the bus, I was so happy because I was tired. I can't believe that I walked to the pool and went swimming with my friends.

This Spring Break at the club we also watched two movies on the big screen, The Incredibles and Moana. I did melty beads in the art room and I played a lot of carpet ball and pool to practice ready for Games Room tournament. The club had an art program with Katey, we drew a mural on the wall ball wall. The next day we painted it, it looks like a huge world with a Boys & Girls Club logo in the middle of it. Under the earth are other children's drawings, including two of mine. It was a lot of fun being at the club for Spring Break!

A few notes from Liam

A huge thank you to Gale Rogers, club board member for coming to our rescue and donating a vacuum cleaner. Thanks, Gale. if you know of any local businesses that have small toys/trinkets to donate for our Club Store, please point them in my direction as we are trying to move away from candy!

I am taking 12 children aged 8 - 12 to Boys & Girls Clubs of King County's Games Room Tournament in Kirkland on Saturday April 22nd. Please see me this week to complete a permission slip if you'd like to sign you child up!

Please take a second to check out our club website www.bi.positiveplace.org I have been giving it some much needed attention, is there anything you'd like to see added on there? Please feel free to drop me a line to lmcevilly@positiveplace.org
