All you need to know from Bainbridge Island Boys & Girls Club

Brain Games Champs & Family BBQ

On Saturday May 6th Tiana and Leah took 6 kids over to Ballard Boys & Girls Club in Seattle to compete against other Clubs in a number of educational challenges including trivia, math, S.T.E.M, and geography games. As you can see in the picture, WE WON! Well done, Carson, Alex G, Liam, Harper, Kaya and Grace! "Brain Games was very fun. At the other Club we had pizza and donuts, and played table hockey. The tests were in geography, STEM, and math. Bainbridge won Brain Games, but only because we threw bunny crackers into each other's mouths." (This was a team-building exercise that Tiana had them do on the bus on the way over) – Alex G

BE GREAT

THANK YOU, EMILY & SAFEWAY!

As you can see from the Snack Menu below, every Tuesday (and for second snack each day) we are able to offer our children fresh fruit! This is all thanks to a club parent, Emily. She contacted local stores to ask for help and Bainbridge Island Safeway kindly donated \$2500.

Do any of our families work for Safeway? It would make the likelihood of future donations a lot greater if we could find someone. Please reach out me at lmceville@positiveplace.org if you think you can help.

Summer Registration is OPEN!
Please visit our [website](#) to see all of the awesome activities we have planned. Spaces are limited, so hurry!

We will be hosting a [Record-Breaking Family BBQ](#) Event Night on May 19th from 5:30 – 6:45PM. Come down to the Club for food fun and games for the entire family! You will have a chance to participate in a variety of events planned by the kids at the Club, meet the Bainbridge Island board of directors, sign up for summer camp, and eat some delicious hamburgers and hot dogs.

There will be multiple competition record-breaking events such as a Jello eating contest, playdough tower engineering contest, saltine cracker eating contest, multiple races and much more. We encourage parents and kids to participate together to try to break the world records for each station! There will be prizes and awards to all parents and kids that win each contest. To close out the night we will be honoring and recognizing club members at our award ceremony at 6:20PM!

This event is free for all club members and all parents are invited, no need to RSVP.

Volunteers Needed!

The club needs Volunteers! You have to be 14 or older and it is a great way to gain experience working with kids, we often consider our volunteers first when hiring!

We will be holding a Volunteers Orientation on Monday the 1st of May from 6:30 – 7:30. If you have any questions please call Tiana on (206)436-1865 or tmorris@positiveplace.org
