Camp Hours: 8 am - 6 pm

Join us for a fun-filled summer at the Club! During the summer, the Club provides a variety of fun learning activities, field trips, and supervised games to keep members engaged and active throughout the season. Field trips are offered 2-3 times per week and camp participants will participate in all field trips corresponding to their grade. Because we serve a variety of ages, staff make every effort to plan a wide array of age-appropriate field trips. On non-field trip days, members will participate in a variety of gym games, arts & crafts, and high-yield learning activities.

All activities are subject to change depending on the weather or availability.
