

BOYS & GIRLS CLUBS
OF KING COUNTY

Remond Elementary Club Summer Camp Schedule

Program Information

At the Redmond El. Boys & Girls Club your child will have the chance to experience a wide range of activities and field trips. We also provide time every day for reading/writing, math, SEL based activities, and plenty of outside time throughout the summer. Our camp runs for 9 weeks, and we will have a new theme each week! This camp is a great place for your child to try new things, make new friends, and have FUN!

*All field trips subject to change
